

The Great BUILD OFF

Does your child get easily frustrated in social settings? Trouble making friends or working in group settings?

This is the class that will help build their self-confidence in those challenging social situations. Utilizing small groups, students will build a variety of fun and challenging projects that will augment their social skills development.

We will build on the following skill sets:

Dates: March 28 - May 23

Time: 5:30pm - 6:30pm

Day: Mondays

8 week session

Ages: 7-10

Price: \$225*

(no class
4/18)

*All supplies
included in
class fee
